This is exactly what we stand for with our concept. Crunchy salads, fresh juices & smoothies or trendy bowls.
We just love what tastes good and is good for the body. We have been delighting residents and guests of the metropolitan region with our homemade curries & soups since 2007.

With everything new, however, it is important to us: sustainability, offering vegan options, staying colorful & moments of pleasure create.

We invite you to try our diversity and to dare to do something completely new.
Just enjoy a vegan ice cream, drink a green smoothie or try a delicious one Buddah Bowl from our house.

No matter what you do, the main thing is that you enjoy it.

We are happy that you are here!

& the MISCHBAR-Team

CATERING & EVENTS

For us, "enjoyment" and "healthy" also belong together in the catering sector.
Since 2007 we have been accompanying conferences, meetings, weddings and
Celebrations of all kinds with our food and drinks.

In our opinion, the perfect catering has to adapt to the customer again and again,
Surprise positively and of course completely convince visually.
Because we can and love that, we have specialized in it with culinary passion.

Unforgettable moments are waiting for you!

Just write us an email with your wishes to catering@mischbar.net and we will get in touch with you!
